

FARM GAMES

In celebration of Hartsville's 200th birthday, the 2017 Trousdale County Fair wants to take you back to yesteryear and celebrate the county's rural heritage with some good, old-fashioned fun!

Try your hand at shucking corn

Test your strength in Tug of War

Lasso a pony to prove you're no phony

Try your hand at stripping tobacco. Truly that's no boloney!

Race an egg to the finish line

Grab a stick horse and beat your opponent's time

Go down as Hartsville's best watermelon seed spitter

That will get you a post on twitter!

Ride a bouncy horse like no other.

You can even race your brother!

There will also be a Kiddie Tractor Pull and a "Needle in the Haystack" contest. You can also showcase your ice cream making talents in our Homemade Ice Cream Making contest beginning at 11:00 AM where fair goers can sample your creation and judge yours as the best! Judging begins at 1:00 P.M. Winner will receive a plaque and a \$50 cash prize.

You just can't beat old-fashioned, farm fun, and there will be **cash prizes** for winners! Farm games will be held at the TCHS Ag Pavilion on Saturday, August 5, 2017, at 1:30 P.M. So grab your partner, and get in line. Get ready to have a big, ole time!
